7. AMO Headquarters is under the direction of the Administration of Soviet Assets in Germany, Berlin-Weissensee. At least once, but more often twice a week, one or two Weissensee officials come to AMO Headquarters to visit Bebenin. Permanent liaison between AMO and Weissensee is maintained by telegraph. A minimum of 20 telegrams from Weissensee, most of them signed by [redacted] daily by Vinokurova who passes them to Bebenin. [redacted] telegrams are called KLEERS.
8. Permanent liaison between AMO and the 13 individual AMO works is maintained by:
- a. Weekly meetings. The directors of all AMO works assemble at least once per week, often twice, in the Red Room of AMO Headquarters. In addition to these meetings, there are ten to twelve weekly conferences between AMO officials and one or several directors of the individual works.
  - b. Telephonogram traffic. A telephonogram is the accurate text of a telephone call transcribed and passed to the designated recipient. A telephonogram must indicate, in addition to the message text, the name of the sender, name of the employee who telephones the text, name of the employee who receives the call, name of the employee who passes the telephonogram to the recipient, name of the recipient, date and time.
  - c. Rare letter correspondence.
9. German personnel, ordinarily working in the three first floors of Harnack Strasse 9, are authorized to enter Harnackstrasse 7 upon showing an AMO Central Administration pass, valid for one year, issued in Grigoriev's office and signed by his secretary Nina Simonova. The fourth floor of Harnackstrasse 9 has three rooms for AMO visitors who stay overnight.
10. Every Friday evening after 1800 hours, AMO Headquarters documents are burned, under Blinov's supervision, in the boiler room of the first floor of Harnackstrasse 7. No Germans are allowed to be present.
